## **GENERAL DYNAMICS ELECTRIC BOAT POTENTIAL SUPPLIER SUMMIT *“How to do Business with Electric Boat”***

**Date: October 8, 2014**

**Time: 8:30 a.m. – 11 a.m.**

**Location: New England Institute of Technology, Media Presentation Theater  
One New England Tech Blvd., East Greenwich, RI**

Over the last five years Electric Boat has purchased \$147,808,890 worth of supplies and equipment from 235 Rhode Island suppliers.

RI Commerce Corporation and the Rhode Island Procurement and Technical Assistance Program (PTAC) are hosting General Dynamics Electric Boat Potential Supplier Summit on October 8<sup>th</sup> at the New England Tech Media Presentation Theater. They will be joined by US Congressman Jim Langevin.

At this event, Rhode Island suppliers will learn more about opportunities to work within the Electric Boat supply chain. Electric Boat is a wholly owned subsidiary of General Dynamics, headquartered in Groton, CT, with facilities at the Quonset Business Park in North Kingstown and it has been the primary builder of United States submarines for the past 114 years. Electric Boat's vision is to be the preferred concept development, engineering and design, construction, modernization, and sustainment for all U.S. Navy submarine programs, nuclear propulsion plants, and undersea platform systems integration.

Small and mid-sized manufacturer's will have the opportunity to learn about EB's current needs, understand how to get into EB's supply chain, and meet with EB supply chain executives and procurement managers.

For more information please contact: John Riendeau, Steve Katz, or Lori Bassett at 401-278-9100.

This event is free but registration is required. Please register at: <http://www.riptac.org/training> before 3:00 p.m. on October 7, 2014.
