Defense Innovation Days 2022

Registration is now open! We will be holding Defense Innovation Days 2022 in person this year. It will be 29-31 August 2022 at the Newport RI Marriott Hotel. The registration link and the latest information can be found at: www.defenseinnovationdays.com.

Submarine Shipbuilding Workforce Development Program

As part of the SENEA Submarine Shipbuilding Workforce Development Program, SENEA visited the Rhode Island Career and Technical Education (CTE) Welding programs at Chariho, Coventry, Cranston, Providence, and Warwick. Students demonstrated the various welding positions and techniques they've acquired thus far. Pictured is Mike Freelove, SENEA consultant and former Electric Boat welder, discussing a weld plate with Coventry's welding class. If you are interested in learning more about CTE trade skill internships for your company, contact Tim Fox at TFox@senedia.org

Reminder: SENEDIA Scholarship

SENEDIA will award a minimum of three \$1500 scholarships for the 2022/2023 academic year to students who are actively pursuing studies related to Science, Technology, Engineering and Mathematics (STEM) career paths. These areas of study are the backbone of the skills and experiences that are important elements in supporting the future of national security and the defense sector.

Student applicants must be a U.S. citizen; a resident of New England; completing their two-year associates degree in 2023 or entering their third year of study (or higher) in the 2022-2023 academic year; and a matriculating student enrolled in a STEM-related field at an accredited college or university located in the U.S.

The 2022-23 SENEDIA scholarship application is available [here](https://www.senedia.org/scholarship/) (<https://www.senedia.org/scholarship/>). The deadline for applications is Friday, 29 April 2022. For more information, please contact Cassandra Johns, cjohns@senedia.org.

Save the Date: SENEDIA Golf Tournament
